

ViewSonic® N2750w LCD TV Display

27" NEXTVISION® WIDE-SCREEN LCD TV

Highly entertaining,
visually appealing HDTV*.

❖ Experience wide-screen HDTV*

Enjoy a wide-screen theater experience and a high-definition picture quality with this display's wide-screen aspect ratio, HDTV capability, and wide viewing angles.

❖ UltraBrite™ technology brings images to life

UltraBrite technology, fast video response time and Clear Picture™ electronics bring television, DVD, video and gaming to life with bright, saturated color.

❖ Vivid graphics, clear text, stunning TV

Ultra-high brightness of 550 nits (typ), high contrast ratio of 600:1 (typ), and 1280x720 optimum resolution provides vibrant video and crisp data images on the desktop or in the living room.

Full-function remote control.

Experience brilliant home entertainment.

Experience the brilliant difference in high-definition video entertainment from ViewSonic's N2750w high-performance 27" wide-screen LCD TV. With a visually appealing, contemporary, slim design, the N2750w is ready to deliver **STUNNING HIGH-DEFINITION TELEVISION** as well as enhanced and standard television signals. Immerse yourself in the brilliant colors and crisp images delivered by true 1280x720 resolution and high brightness and contrast ratios. Multiple video and audio connections allow you to connect HD set top boxes, DVD players, game consoles and more to **BUILD A COMPLETE HIGH-DEFINITION HOME ENTERTAINMENT SYSTEM** around the N2750w. Two powerful 10-watt stereo speakers and SRS virtual surround sound capability complete your home entertainment experience. ViewSonic has built long term compatibility into the N2750w so you can continue to enjoy high-definition video entertainment in the future.

Enjoy wide-screen entertainment on the elegant N2750w.

❖ Plug-and-play connections ensure optimum viewing

This HDTV-ready display provides the ultimate viewing experience with plug-and-play, high-end connectivity for HD set top boxes, DVDs, game consoles and camcorders.

❖ Watch TV and view data from your computer

Increase your efficiency and productivity with the PIP (video-over-data) window. Watch TV and surf the Internet or check e-mail. Then, easily switch to full screen viewing of computer applications or video.

❖ OptiSync® technology offers input options

Add versatility to your LCD TV with support for digital (DVI) with HDCP content protection and analog (VGA) signals, plus component, composite, S-video, and TV.

❖ Customized content control

Parental control and closed caption options allow you to customize your viewing experience.

❖ Powerful high-fidelity audio

It's all accompanied by an ultra-high fidelity 20-watt (SRS) audio system that completes the entertainment experience.
